DETAILED ACTION

*** This office action is in response to Applicant's RCE filed on April 04, 2004, and entered Amendment dated March 01, 2004. Claims 1-12 are currently pending.

Allowable Subject Matter

1. Claims 1-12 are allowed.
2. The following is a statement of reasons for the indication of allowable subject matter:
Applicant's amendment submitted March 01, 2004 and convincing remarks of record have overcome the rejections of record. None of the references including Kamiya et al (5,838,615), Kamiya et al (6,080,624), etc., of record fairly anticipatively suggest a method for forming a semiconductor device comprising all process limitations as claimed, or in the combination of the references, to fairly make a prima facie obvious case of the claimed invention.
